Read: The words on the left all mean "heed us" , those on the right all mean "weed".

Can you find something about all the words on the left that is the same?

he commanded us = צוּנָו ↔ צוּי נוּ = we commanded
he remembered us = זְכָרָנוּ ↔ זְכָרְנוּ = we remembered
he saw us = רָאָנוּ ↔ רָאִי נוּ = we saw
he called us = קָרָאנוּ ↔ קָרְאנוּ = we called

If you said that all the words on the left have a ך under the letter preceding "נו" then you are right.

We have therefore learned that נוּ ך means "heed us"
 and that נוּ without the ך means "weed"

choose: אָנחנוּ
